

Minutes - John Hancock Charter School's School Community Council
December 8, 2022

Approve November minutes

It was discussed that the FY24 plan must cover both campuses, PG and EM. The funding for EM will be made whole after year 2, but the first year will be difficult. As a result, we discussed how this plan has to accommodate both campuses.

Review School Improvement Plan, Behavior information

Review the Previous year's plan

Begin narrowing down the needs into categories:

- ELA
- Math
- Science
- Behavior

The discussion included the fact that the ESSR 1 and 2 funding will no longer be available, therefore the classroom aids and the MTSS director will no longer be positions we can continue. The committee felt strongly that those positions made a huge difference and wanted to see a proposed plan with those positions provided.
